Dear Owner:

Congratulations! Based on the receipt of the information submitted to the Board of Barbering and Cosmetology (Board), **Golden West College** has been **approved** and assigned **school code #00827 effective April 17, 2001**.

Please use this number on all students' Proof of Training documents once they have completed their training. This will ensure the school receives student's pass/fail statistical quarterly results and other information from the Board.

You must reproduce copies of these forms for distribution to your students. Additionally, you are required to provide each student with a copy of the Rules and Regulations, the Barbering and Cosmetology Act and the Performance Criteria. Please refer to Article 6, Section 961 of the California Code of Regulations for further information and for other publications you must provide to all of your students.

You have been approved to teach **cosmetology, manicure and cosmetology crossover courses**. If you decide at a future date to add additional courses, you will need to apply to the Board for approval of each course added.

If you have any questions, you may contact me at (916) 575-7168.

Sincerely,

Carmela Amaro,
