

GRADUATION REQUIREMENTS

GOLDEN WEST COLLEGE'S AA DEGREE HAS A "NEW" LOOK

The Associate in Arts Degree at Golden West College has been updated and revised to meet the changes in Title 5 California Education Code and the recommendations from the California Community College Chancellor's System Office. The AA Degree student will notice there is now only one Associate Degree rather than 3 different options, but the student will still be able to take a wide variety of courses to attain the AA Degree. If the student has been in continuous attendance at GWC prior to Fall 2008, he/she may continue with the option that was started.

All AA candidates will be required to meet the Graduation Requirements which include completion of 60 units of acceptable course work with an overall GPA of 2.0. At least 12 units of the 60 must be completed at GWC. Courses meeting each area of the General Education Requirements must be satisfied as well as the requirements of Computer Competency and Information Literacy.

The AA Degree candidates must also choose a Major/Area of Emphasis, or complete a minimum 18 unit Certificate of Achievement in Career and Technical Education, or complete the Certificate of Achievement for CSU Breadth designed for students intending to transfer to the CSU system, or complete the Certificate of Achievement for IGETC designed for students intending to transfer to the UC system or students unsure of where they will transfer.

The new AA Degree and Certificates of Achievement for CSU Breadth and IGETC are still going through the State Approval process. They may need minor changes to what is published on the following pages, so please check for updates at MyGWC.com and with a GWC counselor for the most up to date information.

There are important differences between the Major/Area of Emphasis/Certificate options, so it is imperative that all students seeking the AA Degree see a GWC counselor as early as possible and continue seeking counseling advice on an ongoing basis.

The path is far shorter when the road is mapped out in advance.

GWC CERTIFICATE OF ACHIEVEMENT FOR IGETC (Pending state approval)

This Certificate of Achievement is designed for students who intend to transfer to California State University (CSU) or the University of California (UC), or who are unsure if they will transfer to a CSU or UC campus. Students who complete this certificate with a grade of "C" or better in each course, will complete the Intersegmental General Education Transfer Curriculum (IGETC) with which all lower division general education units required by the CSU and UC (except Eleanor Roosevelt and Revelle Colleges at UCSD which require additional GE course work) are met. This certificate may not be advisable for some majors at certain CSU and UC campuses. Students should consult a GWC Counselor to make sure this is their best option.

To be eligible to transfer to a UC campus, students must complete 60 units of UC transferable courses with at least a 2.4 gpa. For this certificate a minimum of 12 residency units must be completed at GWC. Courses on this list are approved for a specific academic year. A course cannot be certified by GWC unless it was on the GWC IGETC list when it was taken by the student. General education courses may be added to the approved IGETC list during the year. You must request certification at the GWC Admissions & Records office when requesting your final transcript.

Duplicate credit will not be awarded for both the honors and regular versions of a course. Credit will only be awarded to the first course completed with a grade of C or better.
